Georgetown University Press. Paperback. Book Condition: new. BRAND NEW, Georgetown Journal of International Affairs: International Engagement on Cyber IV, Azhar Unwala, Each spring, the Cyber Project at Georgetown University's Institute for Law, Science, and Global Security convenes a conference of leading international experts from academia, the private sector, and government to address cutting-edge issues in cybersecurity. This issue begins with a group of articles under the theme A Post-Snowden Cyberspace, describing how Edward Snowden's revelations directly or indirectly changed the way the global community understands cybersecurity and cyber law. Other topics covered include cyber weapons, cyber deterrence, Japan's cybersecurity strategy, data protection in the private sector, executive accountability for data breaches, minimum security standards for connected devices, and the problem of underinvestment in cybersecurity. Please note, this special issue is not included in the subscription to the journal. The Georgetown Journal of International Affairs is the official publication of the Edmund A Walsh School of Foreign Service at Georgetown University. Each issue of the journal provides readers with a diverse array of timely, peer-reviewed content penned by top policymakers, business leaders, and academic luminaries.
