Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Views in Theology The strength of the church, under God, depends on concentrated action; and this, like mercantile credit, depends on confidence. Whatever, therefore, propagates distrust among brethren, creates a panic, like the failure of capitalists in a great city. Of this, the enemy of souls is aware and has never failed, when the power of the church became too formidable to be resented, to ease him of his adversaries, by dividing them. Thus the sacramental controversy divided the reformers, and the contentions of the Independents and Presbyterians lost the vantage ground in the commonwealth, and brought back monarchy, dissoluteness, and irreligion. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
