

## To Wake to This (Paperback)

---

By Enda Wyley

Dedalus Press, Ireland, 2009. Paperback. Condition: New. New. Language: English . Brand New Book. A man walks out a country lane, a Monteverdi lament in his head; a father guards his sleeping daughter; a translator grapples with the poetry of Brecht; a mother wishes for her child, Little heart / not yet hurt / beat on; and in an art gallery a charcoal print of a bird magically stills the place . Irish poet Enda Wyley s fourth collection is a celebration of a contemporary world she has refreshingly made her own. These are poems, as noted by Poetry Ireland Review, which offer a broad sweep of the inner eye over her chosen subjects - and they do so with subtlety and grace, the poet s questioning stance ever present: How can I say what I really mean, just how it really is? Wyley s best work is intimate and celebratory. she celebrates love and poetry itself with tenderness and grace. - George Szirtes, The Irish Times.
