Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Solutions of Examples in Conic Sections: Treated Geometrically I have frequently received requests for a book of Solutions of the Examples in my treatise on Conic Sections, but have never been able to find time to prepare them. Mr Archer Green, B.A., Scholar of Christ s College, volunteered to undertake the task, with the aid of my notes and his own, and, with the exception of a few at the end, wrote out the solutions entirely. Mr Green was however prevented by illness from completing the revision of the proofs, and I am much indebted to Sir J. Greaves, Fellow of Christ s College, who kindly undertook to examine the rest of the sheets. The book will, I hope, prove useful both to students and teachers, as a companion volume to the treatise on Conic Sections. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
