

The Stone-Millis Arithmetics Primary (Classic Reprint)

By John C Stone

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Stone-Millis Arithmetics Primary The Stone-Millis Arithmetics have been prepared with a view to adapting the teaching of arithmetic more adequately to the interests and to the needs of children of the present day. The adaptation to children s interests is secured through the use of the play instinct in the primary grades, and through the use, in all grades, of problem material relating to the various activities of children in and out of school, and to facts touching their experiences more or less directly. The adult point of view and the interests of adults have not been unduly obtruded into the work. In the second and third grades, especially, numerous games have been introduced that have been found, by actual use in the schoolroom, to be of intense interest to children, and to provide excellent drill work. Much problem material correlated with the hand work or industrial arts work of the modern school has been given. Many groups of problems relating to the common phases of community life with which the child comes into...
