### ANIMAL LONDON: A SPOTTER'S GUIDE

Square Peg, 2011 9780224087049, 2011. Soft cover. Condition: New. NEW paperback. 172 pages. Illustrated throughout in colour. From the blurb: "London is full of creatures. They are hidden in crumbling graveyards, daubed in canal-bank graffiti, perched on rooftops. This quirky guidebook, with its gorgeous photography, brings to life the animal artworks that make London unique." A most attractive and surprising book, bringing us camels on the Victoria Embankment, mice in Kensington Gardens and dinosaurs in Sydenham, and many more. Great fun.
