The ideal ebook i possibly go through. It generally does not cost an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BIGFOOT MAMAS (HARDBACK)

Foyle Press, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At thirty-two, Samantha has hit her stride. Most days, she splits her time between keeping up her hole-in-the-wall waterfront bar and managing the Humboldt County Bigfoot Hunters. Throw in her rambunctious twin daughters, Victoria and Dharma, and her gentle giant husband, Bubba, and you have a woman with her hands full. You couldn't call it an ordinary life, but it's stable and happy. Still waters, however, often run deep. When an all-too-human specter from the past shows up, Sam and her oddball band of friends—including the tall, hairy, forest-dwelling ones—are confronted with a monster of a very different kind. As the darkness grows and threatens to destroy them all, they're faced with a choice. Can they put their differences behind them and fight together for what they love? Or are some scars just too deep to be forgotten? With a voice as unique and lyric as Steinbeck's, Pamela Foster paints her native California Redwood Country as a living, breathing part of her story and everything in it. You'll take every step through the mists and ancient forests with Samantha and her motley crew, feel every cold shiver, see every stunning vista. With a natural flair for understanding the ties that bind us, Bigfoot Mamas weaves a touching, complex tale of love, healing, and redemption, and answers the age-old question of just how far a mother will go to protect her children.
