

A Brief Notice of Dr. Martyn Paine's Work on the Institutes of Medicine: With Some Remarks on the Theory of the Correlation of the Physical and Vital Forces (Classic Reprint) (Paperback)

By James Aitken Meigs

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Brief Notice of Dr. Martyn Paine's Work on the Institutes of Medicine With Some Remarks on the Theory of the Correlation of the Physical and Vital Forces Physical phenomena, according to the class they belong to, are referred to a few simple laws, as gravity, caloric, affinity, galvanism, electricity, magnetism; all of which, it can now be scarcely doubted, are modifications Of one great force. The force producing physiological or organic phenomena may be no more than a modification of the same ruling power displaying its activity in organized matter. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Reviews

This composed pdf is excellent. We have go through and that i am certain that i am going to likely to read again once more down the road. I am just happy to explain how this is basically the very best publication i have go through within my own daily life and can be he best publication for actually.

-- **Anika Kertzmann**

Absolutely among the best book We have ever study. It is actually writer in easy words instead of hard to understand. I found out this publication from my i and dad encouraged this book to find out.
