WILD ONES: A SOMETIMES DISMAYING, WEIRDLY REASSURING STORY ABOUT LOOKING AT PEOPLE LOOKING AT ANIMALS IN AMERICA

[DOWNLOAD](#)

Penguin Books, United States, 2014. Paperback. Book Condition: New. Reprint. 212 x 136 mm. Language: English . Brand New Book. Ambitious and fascinating. [Mooallem] seamlessly blends reportage from the front lines of wildlife conservation with a lively cultural history of animals in America. -- New York Times Book Review Journalist Jon Mooallem has watched his little daughter's world overflow with animals: butterfly pajamas, appliqued owls while the actual world she's inheriting slides into a great storm of extinction. Half of all species could disappear by the end of the century, and scientists now concede that most of America's endangered animals will survive only if conservationists keep rigging the world around them in their favor. So Mooallem ventures into the field, often taking his daughter with him, to move beyond childlike fascination and make those creatures feel more real. *Wild Ones* is a tour through our environmental moment and the eccentric cultural history of people and wild animals in America that inflects it from Thomas Jefferson's celebrations of early abundance to the turn-of-the-last-century origins of the teddy bear to the whale-loving hippies of the 1970s. In America, *Wild Ones* discovers, wildlife has always inhabited the terrain of our imagination as much as the actual land. The journey is framed by the stories of three modern-day endangered species: the polar bear, victimized by climate change and ogled by tourists outside a remote northern town; the little-known Lange's metalmark butterfly, foundering on a shred of industrialized land near San Francisco; and the whooping crane as it's led on a months-long migration by costumed men in ultralight airplanes. The wilderness that *Wild Ones* navigates is a scrappy, disorderly place where amateur conservationists do grueling, sometimes preposterous-looking work; where a marketer maneuvers to control the polar bear's...
