

Headed the Wrong Way: The British Army's Painful Re-Acquaintance with Its Own COIN Doctrine in Southern Iraq

Filesize: 6.72 MB

Reviews

Very good electronic book and useful one. it absolutely was writtern extremely completely and useful. You will not feel monotony at at any moment of your respective time (that's what catalogs are for relating to when you question me).

(Prof. Noah Zemplak DDS)

HEADED THE WRONG WAY: THE BRITISH ARMY'S PAINFUL RE-ACQUAINTANCE WITH ITS OWN COIN DOCTRINE IN SOUTHERN IRAQ

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this book was to obtain a historically rooted understanding of the development, application, and adaptation of the British COIN approach-one from which the US has borrowed heavily. It focuses upon those factors which interfere with timely, adaptive application of current COIN doctrine as soon as the warning signs of insurgency present themselves. The price of failing to do so in terms of blood and treasure has been widely proclaimed daily in the news media during the past decade of American and British involvement in Iraq and Afghanistan. Authors on both sides of the Atlantic have already made much of the US Army's failure to capture COIN lessons from Vietnam and its abandonment of COIN education in its schools after the 1970s. For this reason, most American commanders went into Iraq with no doctrinal guide for COIN, a deficiency corrected only after painful reflection on the characteristics of the environment and the inefficacy of the conventional methods they initially employed. The British Army, on the other hand, went into Iraq with a COIN doctrine revised five times since the completion of its successful operations in Malaya, 1948-1960, including a version published only two years prior to entry into Iraq. Why did the British Army struggle with identifying insurgency and application of its own corresponding doctrine?.
