IT S NEVER TOO LATE TO GROW UP

Plain View Press, United States, 2010. Paperback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Cele Keeper s memoir, It s Never Too Late to Grow Up, an unflinchingly honest and irreverent history of a life well lived, is an enthralling read. Ms. Keeper never extinguishes the bright light of her candor. From the death of a beloved child to the vicissitudes of aging, she is never an object of pity. She dares to convey important lessons learned over time in psychotherapy, the ones that open us to the other side of our stories about self and others and that ultimately free us to experience life with greater clarity and tolerance. David Hawkins, MD, Psychiatrist in Private Practice It s Never Too Late To Grow Up is a wonderful journey into the human experience through the eyes and wit of an extraordinary person. Short stories ranging from an orangutan at the zoo hurling a large wad of tobacco spittle on her mother s fur coat to wonderful verses (my favorite: This is It, an ode about Cele s power struggle with her two cats!) create honest moments for self-introspection. You will close this book with...
