*This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## TITHE OF THE SAVIOURS (PAPERBACK)

Orion Publishing Co, United Kingdom, 2015. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. The gods will see you brought down. The spirits of your ancestors will have their revenge upon you. The Saviours will drain you of your very soul. In claiming a place in the world, mortals have won many enemies for themselves. The ancient gods are jealous and conspire against them. The King of the Dead looks to lead his armies into the land of the living. In their own realm, the mighty Declension watches and waits, as events begin to unfold precisely as they had always planned. Jillan and his companions are beset on all sides, yet are plagued by self-doubt and internal division. When the final battle for survival begins, both they and their gods face extinction. They are easy prey for the warriors of the Declension, who are intent upon stripping Jillan of his magic and raising up their empire once more. His friends and beloved Hella taken from him, Jillan is captured and tortured. He is ultimately broken and condemned to work in a mine, to see out his days labouring in misery for the enemy he has fought against his entire life. He is a man without hope.
