PHANTASMS IN THE INFIRMARY. VOL II: THE NEXT BATCH

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A compilation of hospital based ghost stories. It is volume II of the Phantasms in the infirmary series. There are more spooky occurrences and more twists to keep your eyes on. The horror genre needs this and you need to read this one and it's predecessor. It'll make sense. Depending on the response to the series, volume III may have to be written. After all, there are many other creepy nightmarish tales in store! This one contains stories about the matron, meandering monks, menacing spirit manifestations on the ward and the mortuary among others. They will make your hairs stand on end. But it will be worth it. Enjoy and remember to write a review for it when you are done. Also, whatever happens, don't have nightmares.
