Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The X Factor is recognized as the indescribable quality that we like and want to be associated with. Our company needs to stand out from competition, it needs to be an X-Factor company. Today s businesses face many challenges. We need the confidence that comes from following a proven system. There is a lean framework that when followed greatly enhances success. This is the X Factor framework. The author presents a six-step framework businesses can follow to ensure they are getting the most out of effort spent. Lean expert Bryan McWhorter has over two thousand hours of experience providing classroom training on lean productivity tools. He has provided guidance for hundreds of projects, leading to millions of dollars in annual savings. The productivity tools Bryan teaches have been proven effective in many environments. These are the same lean tools that the U.S. used during WW2 for supporting the Allied war efforts by manufacturing needed supplies. These are the same tools made famous by the Ford Motor company and the Toyota production system. These are the tools you can use in your company...
