Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.
(Mr. Enrico Lesch)

SENIOR YEAR (PAPERBACK)

HOUGHTON MIFFLIN, United States, 2008. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****.In Senior Year, Dan Shaughnessy focuses his acclaimed sports writing talents on his son Sam's senior year of high school, a turning point in any young life and certainly in the relationship between father and son. Using that experience, Shaughnessy circles back to his own boyhood and calls on the many sports greats he's known over the years -- Ted Williams, Roger Clemens, Larry Bird -- to capture that uniquely American rite of passage that is sports. Growing up, Dan Shaughnessy was so baseball-obsessed that he played games by himself and didn't even let himself win. His son, Sam Shaughnessy, came by his own love of sports naturally and was a natural hitter who quickly ascended the ranks of youth sports. Now nicknamed the 3-2 Kid for his astonishing ability to hover between success and failure in everything he does, Sam is finally a senior, and it's all on the line: what college to attend; how to keep his grades up and his head down until graduation; and whether his final high school baseball season, which features foul weather, a hitting slump, and a surprising clash with a longtime coach, will end in disappointment or triumph. All along the way, Dad is there, chronicling that universal experience of putting your child out on the field -- and in the world -- and hoping for the best. With gleaming insight, wicked humor, and, at times, the searching soul of an unsure father, Shaughnessy illuminates how sports connect generations and how they help us grow up -- and let go.
