Larry Czerwonka Company, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Throughout my life I have pondered and mused over the spiritual and physical realms and the similarities and differences of them. The material or physical realm is orchestrated through the spiritual realm much more than man would want to embrace or admit to. The ego and freewill within our souls can work for and/or against us. Fear is the enemy not only of the mortal soul, but the spirit, as well. Fear can create many an anomaly that trickles down from the micro to the macro of society. Fears are the foundation of anger, bitterness, hatred, bigotry, and any other negative human emotion that lies within the human psyche. Fears start out through words, beliefs, and feelings that over time get engrained within the edifice of our soul. Somehow we miss the importance of love and think it as weak and misunderstood due to these fears that have a way of tricking us into thinking that they are truths. My journey began from very young due to seeing and feeling the spiritual realm around me along with various types of dreams from cryptic to astral traveling. Almost dying at birth I believe somehow put a drive in me to understand the factions and foundation of love and the human psyche. My family was highly dysfunctional and I was the spiritual guardian assigned to put the function back within it. However, being so young, I was not fully aware of this responsibility. These poems got birthed from the angst in my soul and desire to bring healing to myself and the world around me. How does fear creep in? Many different types of fears that are passed down through false beliefs of...
