Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.

BOB HONEY WHO JUST DO STUFF: A NOVEL (HARDBACK)

Atria Books, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. It seems wrong to say that so dystopian a novel is great fun to read, but it s true. I suspect that Thomas Pynchon and Hunter S. Thompson would love this book. -Salman Rushdie From legendary actor and activist Sean Penn comes a scorching, darkly funny novel about Bob Honey-a modern American man, entrepreneur, and part-time assassin. Bob Honey has a hard time connecting with other people, especially since his divorce. He s tired of being marketed to every moment, sick of a world where even an orgasm isn t real until it is turned into a tweet. A paragon of old-fashioned American entrepreneurship, Bob sells septic tanks to Jehovah s Witnesses and arranges pyrotechnic displays for foreign dictators. He s also a contract killer for an off-the-books program run by a branch of US intelligence that targets the elderly, the infirm, and others who drain this consumption-driven society of its resources. When a nosy journalist starts asking questions, Bob can t decide if it s a chance to form some sort of new friendship or the beginning of the end for him. With treason on everyone s lips, terrorism in everyone s sights, and American political life sinking to ever-lower standards, Bob decides it s time to make a change-if he doesn t get killed by his mysterious controllers or exposed in the rapacious media first. A thunderbolt of provocative words and startling images, Bob Honey Who Just Do Stuff marks the fiction debut of one of America s most acclaimed artists.
