

Sex Death Rock N Roll: Short Stories

Filesize: 4.67 MB

Reviews

This is actually the finest ebook we have go through until now. It is written in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basically changed me, change the way in my opinion.

(Gillian Wisoky)

SEX DEATH ROCK N ROLL: SHORT STORIES

Excessive Nuance, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.There is just something so provocative about rock stars. We can't get enough of their gently-weeping guitars, tuneful talents, and sexy shenanigans. Whether you plastered Jimi Hendrix posters all over your bedroom walls, danced to Love Is A Battlefield at your wedding, or dressed as Slash on Halloween - admit it: you've been beguiled by the guitar gods. Go behind the music and down the rabbit hole with five bizarre, outlandish, dark, droll, and just plain sacrilegious stories by Darren Gordon Smith (Blurt: Curses Verses) and Staci Layne Wilson (Dark Lullaby). Fandom/Phantom - When Alberta magically brings her favorite departed rock n roll poet back to life, he's everything she dreamed. at first. Little Rosie vs. The Devil - When Satan tempts guitarist Strings McGee at the crossroads of his life, there's hell to pay. In(ter)vention - When alkie music critic Ian is ambushed with an intervention by his well-meaning but misguided family, things go from bad to super-bad. Depraved Indifference - When Hawkeye gets too obsessed with the flameout fatalities of famous hi-fi heroes, fantasy spills into reality. Fishing With Grandpa - When aging, entitled rock star Rhys Weedham takes a shine to his granddaughter's best friend, the unsuspecting young lady is faced with a Hobson's choice. PRAISE: Anyone can write about rock n roll, but when you get heavy-hitters like Staci Layne Wilson and Darren Gordon Smith applying their combined knowledge of the genre for our entertainment, you know you're in for a rare treat. And what a treat it is. Electrifying, terrifying, and unique. I loved every minute I spent in these dark, deranged worlds. Bring on...
