

The Auctioneer Bangs His Gavel (Paperback)

By Benjamin Grossberg

Kent State University Press, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Reading The Auctioneer Bangs His Gavel, I had the sense of finding a poet I d been looking for unawares: one who intertwines a survey of human sexuality (and gay sexuality at that) with theological questions; one who tackles ambitious poetic projects without sounding pretentious; one who writes fables using the ordinary materials of daily reality; one who balances the Jewish sources of the Western tradition with its Hellenic counterpart; one who knows how to be serious with the assistance of laughter; one who can tell a story and excerpt his own autobiography as a way of gaining larger perspectives on experience. No things but in ideas, seems to be his aesthetic motto, and that has served him well in his goal--to declare that we are free to follow our natures in the pursuit of happiness. --Alfred Corn.
