Brand New Book ***** Print on Demand *****.How important is sexual bliss in a relationship? Is a marriage only about compromise and sacrifice? What if at the end of the day you are just not happy? The Deliberate Sinner deals with all these intriguing questions as we embark on a journey with the protagonist, Rihana. Rihana is a happy-go-lucky girl who loves life to the core. However, her marriage to Veer brings about a tremendous change in her and in her life as well. Veer is rich, handsome and looks like the perfect husband material. In reality, however, he is far away from being one. He doesn't fulfill either her physical or her emotional needs and emptiness creeps in to Rihana's life slowly and steadily. It's her choice now whether to walk out of this unfulfilling marriage or stick to it in order to abide by societal norms. Will she be able to take the decision that is best for her or will Veer change and give her something to think twice about before making up her mind?
