Poor-Sucker Syndrome: The Story about Leeches and the Men That Feed Them (Paperback)

By Mitch Vandell

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A self-help, self-defense book to save men. And a get-rich-quick guide for women. In one of the most unique and personal self-help books to ever come along, a well-researched and personal account, Mitch Vandell gives name to and breaks down this widely familiar yet rarely recognized mental disorder into short, bite-sized chapters. These include the psychological enablers of leeching, an overview of basic leeching strategies, and the environmental and socio-economic risk factors involved in contracting the syndrome. You cannot always tell just by looking at a man if he suffers from this deadly syndrome. This book is designed to raise awareness about the complex motivations and social dynamics behind men's latent self-destructive tendencies to give up everything for a girl with a pretty smile and dimples. Step into the shadowy underworld of everyday women in short dresses and high heels, prowling for men to sink their hooks into. In the last decade, the Poor-Sucker Syndrome has surpassed unemployment as the single leading cause of damage to Mankind's happiness: that is, a man becomes obsessed with a woman and is taken...

Reviews

Good electronic book and valuable one. It is one of the most incredible publications we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
