

Instructions for Employees Engaged in Eradicating Foot-And-Mouth Disease (Classic Reprint) (Hardback)

By United States Bureau of Animal Industry

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Instructions for Employees Engaged in Eradicating Foot-and-Mouth Disease Scope Of Inspection. - The examination should not be confined to the suspicious animals, but should include all susceptible animals of different species on the farm, and if the suspicion of foot-and-mouth disease is strong, the inspection should extend to animals on adjacent farms. The number of animals affected and a description of the lesions should be noted. Special inquiry should be made into the history Of the condition and all information avail able should be considered with the view of ascertaining if there is any evidence of contagion. Report to Chief Of Bureau. - In all cases of foot-and mouth disease, even where there are only slight grounds for suspicion of a new outbreak, the matter should be reported immediately BY wire to the chief of the bureau and a de tailed written report should be forwarded as soon as possible. This report should include a description of the lesions and their location, the number of susceptible animals of each species on the farm, the number of animals of each species affected, the...
