

Strike Story: A Dramatic Re-Telling of the Story of the Little Falls Textile Strike of 1912

By Angela Harris

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 78 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. The beginning of the twentieth century saw the rise of socialism and the union movement in the United States. Immigration brought waves of Europeans into the mill towns of the Northeast. With this came overcrowded tenements, income disparity, and anti-immigrant sentiment. All of these elements converged in Little Falls, New York, a mill city in the Mohawk Valley of central New York. Strike Story is a dramatic retelling of events leading up to and during the Little Falls, New York, Textile Strike of 1912. Presented as readers theatre, the play relies on the words of people involved as well as the published accounts of the events from contemporary newspapers and material from government documents. The play dramatizes the impact of the tuberculosis crisis in Little Falls, the role of the Triangle Shirtwaist Fire on mills throughout New York State, and the day-by-day events of the strike with focus on the free speech fight and the riot of October 30, 1912. This item ships from La Vergne, TN. Paperback.

Reviews

Absolutely among the best book we have ever studied. It is actually written in easy words instead of hard to understand. I found out this publication from my mom and dad encouraged this book to find out.

-- **Kristina Rippin**

These kinds of publications are everything and made me hunting ahead of time and more. I have got read through and I am also confident that I am going to go on to study yet again yet again later on. It has been printed in an extremely basic way in fact it is only after I finished reading this PDF in which in fact transformed me, alter the way I believe.
