Tafelberg Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Bushbabies: Young African Wildlife, a Visual Celebration, Nigel Dennis, Roger de la Harpe, Few experiences in life can match those of observing wildlife in its natural environment, and even fewer can match the enchanting sight of the birth of a new generation of animals, as they tentatively take their first steps into a brand new world. The De la Harpe and Dennis teams have spent years photographing wildlife, and here they offer a close-up view of the new-born, showing a wide variety of young African wildlife -- from a newly born buffalo and just-hatched crocodiles, to endearing elephant calves and cute wild dog pups -- and their interplay with parents and siblings. With over 100 photographs and a short but concise text filled with fascinating facts, this book is a must for nature-lovers of any age.
