Real Options: Managerial Flexibility and Strategy in Resource Allocation (Hardback)

By Lenos Trigeorgis

MIT Press Ltd, United States, 1996. Hardback. Condition: New. New. Language: English . Brand New Book. Comprehensive in scope, Real Options reviews current techniques of capital budgeting and details an approach (based on the pricing of options) that provides a means of quantifying the elusive elements of managerial flexibility in the face of unexpected changes in the market. In the 1970s and the 1980s, developments in the valuation of capital-investment opportunities based on options pricing revolutionized capital budgeting. Managerial flexibility to adapt and revise future decisions in order to capitalize on favorable future opportunities or to limit losses has proven vital to long-term corporate success in an uncertain and changing marketplace. In this book Lenos Trigeorgis, who has helped shape the field of real options, brings together a wealth of previously scattered knowledge and research on the new flexibility in corporate resource allocation and in the evaluation of investment alternatives brought about by the shift from static cash-flow approaches to the more dynamic paradigm of real options -- an approach that incorporates decisions on whether to defer, expand, contract, abandon, switch use, or otherwise alter a capital investment. Comprehensive in scope, Real Options reviews current techniques of capital budgeting and details...
