Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Anne Frank, the German Jewish girl is the best known for her diary depicting the experiences during the Holocaust. She was born on June 12, 1929, Frankfurt am Main, Germany, and her family had to go into hiding during World War Two to escape from the Nazis. After more than two years in hiding, they are discovered and deported to concentration camps. As a young teenager who hoped to become a writer on growing up, Anne dutifully wrote in her diary, documenting her daily life in hiding. She was always optimistic and loved to live a normal life one day, but all the hopes went unfounded as Anne became one of the thousands of Jewish children who were killed in the concentration camps. She turned out as one of the most discussed victims ever since her father published her diary, The Diary of a Young Girl . This diary is now one of the bestselling books and has been translated into many languages. This book brings you the optimistic words from this young teenage girl who always wished for freedom. Probably, this will be the best collection of her words and spare your time to have a read.
