This is the first bit of advice I give in this funny informative book. Have you ever thought about going on a cruise but don t know where to start? Which ship, what company, where to go and how much? These are all common questions tackled with ease inside these pages. Live the true experience of a cruise and really get to know what goes on from getting on the ship, to your final disembarkation. How to deal with endless food, what to wear, what excursions to go on. What to do on board and even when to sunbathe. Written in an honest and light hearted way, you can easily capture the essence of cruising and the sort of things that you can do aboard ship.
