FRIENDS: AN AFRICAN ADVENTURE

LionheArt Publishing House, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Friends: An African Adventure is the second book of the series called Fauna Park Tales based on African Adventures of Flame, Family, Furry and Feathered Friends, a GOLD MEDAL WINNER on Authonomy, supported by HarperCollins. The following is an excerpt from the HarperCollins Children s Editor Review: A vivid and engaging world of animal characters . . . the use of cleverly animalised verbs is very creative - Dolly Cat s whispurr . The exploration of interrelationships between animals is a very successful topic in the children s literature genre, and you have created some great personalities - the stubborn goat Plump-Grump and the conceited His Handsomeness, King Rat being some of my favourites . . . Life takes strange turns for Flame, a puppy born in the African desert. Adopted by a free-range cattle farmer, the pup faces the challenge of proving himself to more than one of his new family. As Flame grows into a strong and brave dog, he finds friendship with many loyal furry and feathered friends who teach him to keep The Promise - protecting the helpless ones in Fauna Park, a secret sanctuary within the boundaries of the farm. This ordinary desert dog becomes a hero when, to keep his promise, he saves a zebra foal from a fire. These stories are perfect to be read before bedtime to younger children. Preteens will enjoy escaping into an imaginary world where many bush creatures always have hope that everything ends well when the sun goes down.
