It was just another murder, but before the police can haul away the bodies it becomes obvious that sinister forces are at work. Carnage erupts from the crime scene like a firestorm. Who knew that the end of the world would start with some jilted ex killing the old wife and the new boyfriend Phil Pierson passes the crime scene and senses a sinister chill that follows him home a foreboding that is soon proven true by news reports of spreading chaos. Within a few short weeks, the earth is a ravaged planet, denuded of life by a rage plague called the Madness by the few, sane survivors. More mysterious than origin of the Madness is its transmission; it seizes instantly upon anybody who behaves maliciously or becomes angry. None know where the threshold between sanity and the Madness lies. All walk the razor-thin line never knowing when they might fall. A massive firefight between gangs of rage plague victims drives Phil from his home, but he soon links up with a small group of survivors. Their hope...
