Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE 13TH DAY

Ignatius Press, United States, 2009. DVD video. Book Condition: New. 190 x 135 mm. Language: English . Brand New Book. In a world torn apart by persecution, war and oppression, 3 children in Fatima, Portugal were chosen by God to offer an urgent message of hope to the world. Based on the memoirs of the oldest seer, Lucia Santos, and many thousands of independent eye-witness accounts, The 13th Day dramatizes the true story of three young shepherds who experienced six apparitions of Our Lady between May and October 1917, which culminated in the final prophesied Miracle of the Sun on October 13th. Abducted from their homes, thrown into prison and interrogated under the threat of death in the government's attempt to silence them, the children remained true to their story about the crucial messages from Mary of prayer, repentance and conversion for the world. Our Lady gave a secret to the children told in three parts, from a harrowing vision of hell, to prophetic warnings of future events including the advent and timing of the Second World War, the spread of communism, and the attempted assassination of the Pope. Stylistically beautiful and technically innovative, the film uses state-of-the-art digital effects to create stunning images of the visions and the final miracle that have never before been fully realized on screen. Shot on location in Portugal and in the UK, the film has a cast of hundreds to re-create the scenes of the 70,000 strong crowds, with 3 young Portuguese actors play the iconic roles of the Seers. Witness the greatest miracle of the 20th Century, and experience the incredible, emotionally-charged and harrowing world of three young children whose choice to remain loyal to their beliefs, even in the face of death, would inspire thousands.
