Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I was never the kind of kid that had a lot of friends. In fact, I was always the one being picked on. To make matters worse, my best friend stole my girlfriend. Well, technically she wasn't my girlfriend. I never even talked to her before. But none of that matters, okay? The point is he stole her from me, and that's just not right! Then one day it all changed. I became a part of the Keepers. We were tasked with raising baby aliens. That's right, real life aliens! There is just one problem, however. The Sash, who has been at war with the aliens for hundreds of years, has come to Earth. Now, it's up to my Primaries and me to stop them before they destroy their tenth planet!.
