Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Golf: A Complete History of the Game, Together With Directions for Selection of Implements, the Rules, and a Glossary of Golf Terms When Scotland gave to England the rather dubious blessing of her Scottish kings, she gave therewith a gift which was an undoubted boon: the game of golf. For very many years England was more blind to the merits of the game than of the Stuarts. The Scottish Court, taking its country leisure at Greenwich, recreated itself for the toils of government by playing golf on Blackheath. If Blackheath was as flinty then as it is to-day, that fact may partly excuse and explain their governing so badly. It does not seem, however, that golf was of indigenous growth in Scotland. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
