Music Sales Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. (Music Sales America). This book focuses on learning how to read (and play) rhythmic notation, an often overlooked part of learning how to read music and of great benefit to most guitarists. It is aimed at beginner to intermediate level and will help students to write, read and really understand rhythmic notation which has the added benefit of improving the students sense of rhythm and time in all aspects of their playing. This book contains an extensive series of gradually progressive practical exercises for students to work through and detailed lessons to help them make easy and solid progress to rhythm mastery!.
