## BEAUTY IN DECAY: URBEX (3RD)

[DOWNLOAD](#)

Pro-Actif Communications. Hardback. Book Condition: new. BRAND NEW, Beauty in Decay: Urbex (3rd), RomanyWG, "Take nothing but photographs, leave nothing but footprints." This is the unspoken rule of urban explorers, who sometimes risk their safety, police records, and even their lives to explore abandoned buildings, sewers and storm drains, transit tunnels, utility tunnels, high-security areas of inhabited buildings, and even catacombs such as those in Chernobyl, Rome, Odessa and Naples. Although these urban explorers usually work solo or in small teams, they collectively put forth a ground cry against a modern culture that embraces the new, polished, uniform, and mundane. Beauty in Decay features the best in full-color, panoramic photographs from urban exploration or Urbex around the world. Overgrown industrial complexes, disused lunatic asylums, abandoned palaces and forgotten monasteries are showcased, and paired with clear-sighted, poetic text. Just who decides which doors are closed in our world and whose interests do they serve? Do we wish to be kept in the dark, permanently safe, free from either harm or adventure? For all of us there is a deep attraction to be found in opening these doors. They open a rift in our collected experiences and throw new light on the boundaries we've all been forced to accept. There is only one way to find out what's hidden behind these barriers. Sit back, hold on and surrender to your imagination as we unlock the door to an extraordinary unseen world of beauty in decay. What's the Story with Urban Exploration? It's easy to describe what an Urban Explorer does; they infiltrate into abandoned buildings and industrial sites and explore them, often taking photographs along the way. They don't steal, vandalise or even leave graffiti behind them. In fact their code of honour is reminiscent of the rambler's way: Take only pictures,...
