Fortnight on Maxwell Street (Paperback)

By David Kerns

Bay Tree Publishing, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Fortnight on Maxwell Street is a reluctant hero s journey of fear and courage set in Chicago in the spring of 1968. 24-year-old medical student Nick Weissman spends two weeks delivering babies in the kitchens and bedrooms of the inner-city s slum tenements. Over his head medically, and unprotected in one of America s most dangerous neighborhoods, his character and resourcefulness are tested in the extreme when a national tragedy intervenes. Confronting racism, the young white protagonist steps into his racial fear, testing his fledgling professionalism and his honor to care for a black family in grave danger. The embodiment of racial hatred, James Earl Ray, moves in parallel with Nick, stalking Martin Luther King, Jr., killing him and igniting the urban chaos that is the setting for the climax of the story. David Kerns Fortnight on Maxwell Street is a suspenseful medical odyssey that dances along a high wire of racial tension during a tragic and historic American moment. James McManus, author of New York Times Bestseller Positively Fifth Street.

Reviews

Thorough guide! Its this kind of excellent go through. It normally will not price an excessive amount of. You may like just how the blogger compose this ebook.
