## P.S. - LOVE IS FOREVER, CARMEN: (POEMS AND POSTSCRIPTS) (PAPERBACK)

AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sharing is the best way to acknowledge that someone cares. This time.this book.well, I m sharing my feelings with the world. Each poem is quite capturing.as you will go on my adventures. My first publishing, Seven Daze. is about a small segment of my life which engulfs your mind immensely. After being read; many seem to have developed the urge to want that same experience that I had with Sundiata. That same feeling of awe. These poems offer several different experiences in my life. And get this.they were all developed from the truth. My life is exciting (at times), but it can be a little difficult. Please allow me to take you to far away places.then bring you back (safely). I promise that you will connect your soul to one of my poems and sit back to reminisce on your past experience. You ll find a way to see (that) someone/something more clearly. Savor each word as if they were drops of chocolate, drips of coffee, scoops of ice cream. After all, Love is Forever.Carmen.
