Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, The Abundance, Amit Majmudar, Mala and Ronak are adults now. They've married, begun their own families and moved away from the suffocating world of their first generation immigrant parents. But when they learn their mother has only months to live, the focus of their world returns to her home. Having shown little interest in the Indian cuisine they eat at every gathering, Mala decides to master the recipes her mother learned at her own mother's knee. And as they cook together, mother and daughter begin to confront the great divisions of their lives, and finally heal their fractured relationship. But when Ronak comes up with a plan to memorialise his mother, the hard-won peace between them is tested to its limits. Written with tenderness and wry compassion, Amit Majmudar has captured anew the immigrant experience, the clash of cultures, the conflicts of assimilation, and, most poignantly, the tangled ties between generations.
