Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. At the age of five, Devin Riney realized that she had something that only few would understand. Beings would mysteriously manifest before her eyes. Voices would whisper soft messages to her from non-existent lips. And, out of nowhere, unusual energy patterns would inhabit the walls of her solar plexus. Devin knew that she was different, but was unaware how special her gift truly was. As a spiritual medium with a psychic ability to connect to the Spirit Realm, Devin (or Kyndra Sunshine) has connected to people all over the world (from Asia, Africa, etc) who wish to communicate with loved ones who have passed on. However, with this gift came a devastating price, in the form of High Anxiety. And for the decades that followed, she had convinced herself that these debilitating anxiety attacks and social phobic episodes were a part of her destiny. It wasn't until after she experienced every parent's worst nightmare that she found the courage to fight for the inner peace she had always desired. With the help of her psychic gift, she not only found the solution to a more balanced life, she found happiness. Within the pages of this book, you will come face to face with real stories from Devin's journey, including real-life client readings and personal struggles as well as a step-by-step process that can bring overwhelming relief to even the most anxious individual.
