The Emergency Medical System Services
A Praxis Exploration of Leadership in Prehospital Care Environments

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A Praxis Exploration of Leadership in Prehospital Care Environments | The seminal literature indicates that EMS leadership theories and practices tend to be borrowed from corporate research. Consequently, how do the corporate concepts of leadership transfer and apply to EMS critical care situations and their designated leaders? Research of this particular focus does not appear to have been completed within Emergency Medical Systems. As a result, the important question that requires research...
