A.D. 102. Two men--centurions in the Roman Legion--are locked in an eternal battle with destiny. One is a fugitive, driven mad by the deeds of his past. Haunted by a demonic force that has tortured him for more than half-a century, he fights to retain his sanity long enough to separate himself from civilization. The other is Jack Sigler, callsign: King, a former Delta operator torn from the present and hurled into the pages of history. King must endure the long journey through the ages to be reunited with his loved ones in the world he knows. When the plagued centurion cuts a swath of destruction from Jerusalem to Britannia, entire villages are destroyed, and the bodies of the dead are torn apart, becoming part of something larger, something ancient and evil. When King crosses path with the centurion, and sees the decimation caused by his affliction, he stands in the path of history once more, willing to fight, and sacrifice to save the innocent. But who will save him? .HIS OWN GUILT. Jack Sigler, an immortal soldier stuck in the past, forced to live through thousands of years of history to return to his family in the present, is back in this third Continuum thriller from Jeremy Robinson and J. Kent Holloway, who once again boldly re-imagine history.
