Morris Publishing Australia, Australia, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Justin Credible is a real live Pinocchio with a keen sense of smell. Trained as a super sleuth for the DNA (Department of Nasal Affairs), he is often called upon at the first sniff of trouble. With a nose for those hard to crack smelly cases, it s no surprise when Justin responds to an urgent call for help. Someone or something has dropped a stink bomb in the city of Aroma - and the stench is devastating! Gardens are wilting, birds are dropping out of the sky, and the residents are leaving in droves! With sleuth-like determination, Justin follows his nose to solve the mystery of the phantom smell before it wipes Aroma off the map! On the Nose is a fun and entertaining read that I m sure would be enjoyed by young boys. This story is along the same lines as the Just books and Captain Underpants series: crazy, funny and really silly -everything a young boy loves in a book.
