Way More Than a Bed on Stilts: Build This 21st Century Loft Bed Yourself (Paperback)

By Erik Johanson

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Way More Than A Bed On Stilts is written for the person or family who is living in a crowded living space. It shows them more options to cope with their pressing needs, through creative and practical furnishings. If a strategy of life improvement includes basic needs, plus education, organization and discipline, we must accommodate those continually. Of course we need a bed, but we also need to store our clothes in a ready to wear condition. Yes, we need education, but we also need a place to study and an organized way to store and access our study materials. If we lack a clothes closet, or bureau, or a desk, organized storage, or the space for it, we handicap ourselves! Way More Than A Bed On Stilts can help people overcome these types of limitations. This book contains a 21st century loft bed design. When built and used as designed, it is safe; it exceeds all applicable safety standards. Please read those standards and evaluate for yourself. This loft bed design is very durable. It won t become shaky in a year...
