Reviews

An incredibly great ebook with lucid and perfect explanations. It is actually rally fascinating through studying period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Josefina Yundt)

NINE RABBITS

Black Balloon Publishing. Paperback. Condition: New. 184 pages. Dimensions: 8.0in. x 5.5in. x 0.5in. Zaharieva packs several genres into one, including but not limited to pastoral idyll, sexual coming-of-age story, and feminist memoir. Ultimately, she presents life in all its messiness and possibility, vivid enough for the reader to almost taste. Publishers Weekly This is powerful, controlled writing. Rain Taxi Characters are portrayed in a stark light exposing their neediness, their unflattering traits, and, as the novel progresses, their hard-fought wisdom. . . Its rare for me to recommend a novel on the strength of its wisdom, but time and again I found myself nodding appreciably as Manda moves towards a uniquely feminine Zen understanding of herself. Heavy Feather Review A remarkable, untraditional novel about a universal story: one woman's quest to create and maintain her own identity. Told through a series of beautifully written short chapters, *Nine Rabbits* is a moving tale of one woman's struggle to identify not as one part of herself, but as a whole, complex being. While the novel certainly addresses some heavy topics, Zaharieva moves through each scene with the ease of an old friend sharing stories over a long, boozy dinner, making *Nine Rabbits* read more like a memoir than a novel, and making Manda seem less like a character and more like the fully-realized woman she strives to be. Cedar Rapids Gazette I know of few books that explore the workings of psychological and cultural legacies as fearlessly. . . The boldness of *Nine Rabbits* is expressed in its narrative virtuosity as well, for it blends memoir, recipes, alternative endings, references to popular Western culture, koans, dreams, diary entries and verse. Rob Neufeld, *The Asheville Citizen-Times* One moment there is past-tense prose and the next we meet the startling present in poetry, stream-of-consciousness, and the most well-timed recipes ever to...
