Follow the Signs: Understanding Life and the Path to Follow is a revelation of unprecedented insight into human existence that delves into one of the most intriguing mysteries facing humankind - God. It s a theory of logic and common sense combined with religious and spiritual beliefs that unlocks the door to the true meaning of life. Do I have a purpose, a reason for being alive? Is there a divine or spiritual power affecting my life every day? These questions and more will be answered as you learn how the world functions to keep everyone and everything moving and how certain events are designed to guide you through life. You will learn the knowledge and power needed to defeat the negativity around you and how to identify the supernatural power among us. After reading this book, you will feel a spiritual enlightenment as you begin to see the inconceivable and believe the unimaginable.
