Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When you are to look at Wiley Toad and Willy Frog, you wouldn't be able to guess that they are brothers: Frog Brothers to be exact. Wiley Toad has short legs, warts and a round, brown body; Willy Frog is sleeker, with long legs and a green, shiny body that is great for diving and thriving in the water. One lives in the fields above the water, while the other chooses the local lake to call home and lives under a lily pad. However, in Wiley Toad or Frog, the new children's book from author Joyce Kindel Morris, the two are brothers for life and enjoy spending time together in the water or on adventures learning new things. The book presents readers with a compilation of three stories shared between the brothers, as they learn about situations involving bullying, loving family and taking steps to be a better person for God. Yet, things change for Bully Frog when he tries to push the Frog Brothers around. The last story, The Frog Brothers Meet the Bee Brothers, educates the Frog Brothers and readers alike on the best way to behave with others and being a good friend to all. As young readers explore the adventures of Wiley Toad...
