**THE TAILORS GUIDE: CONTAINING SYSTEMS OF DRAUGHTING FROCK AND SACK COATS, PANTS, VESTS AND SHIRTS; WITH VALUABLE IMPROVEMENTS, WARRANTED SUPERIOR TO ANYTHING EVER OFFERED TO THE TRADE (CLASSIC REPRINT) (PAPERBACK)**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Tailors Guide: Containing Systems of Draughting Frock and Sack Coats, Pants, Vests and Shirts; With Valuable Improvements, Warranted Superior to Anything Ever Offered to the Trade This system was first published by the proprietor in New York in 1835, and now republished with valuable improvements, such as have suggested themselves to him during a practical experience in using the same during the past thirty years, all of which is warranted to fit all shapes and sizes of men, without any variations in draughting, it being simply a transfer of inches taken on the man and applied on the cloth in draughting, precisely as taken thereby, producing a perfect fitting garment for all shapes and sizes of men, making it in all respects a perfect self varying rule or system of draughting coats; therefore I now offer this to the trade; and all I claim for it is: that you will give it your most critical and careful scrutiny as to its merits and practical utility; and believing that this system is what has long been wanted, by the trade, and that if once adopted -will never. Be abandoned, I most cheerfully submit the same to your inspection and use. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any...
