Xlibris Corporation. Paperback. Condition: New. 64 pages. Dimensions: 8.3in. x 8.3in. x 0.4in. TEACHER, POET, COMPOSER, ENTHUSIAST, AND STORY WRITER Life is a space in time to be enjoyed especially when we are in the process of using our own talents to bring to reality our uniqueness and creativity. I believe that each person has the potentiality of a genius hidden inside just waiting to be shown to the world. My experiences with children from infants to those in Grade One, has proven my belief in this Philosophy of Teaching. I have allowed children the freedom to use their talents in my 55 years of teaching in a formal classroom. While fulfilling the curriculum formulated by the Educational system, I tried to nurture, guide, encourage, praise and enhance the lives of the Little Ones under my tender care. The books that I have long wanted to be in the hearts and minds of the Public is now happening for me. Some of the children I taught way back in 1954 up to the present day have experienced the wonder and fun of learning with others. I too have learned from them. The children created the Spa, and Restaurant with a bit of direction from me. There was no high-powered technology involved. We just enjoyed a wonderful time and learned so many skills, in Reading, Math, Health, Science and Social Attitudes. I have more Wonders to share with the world. I am the youngest of a family of 13 members, a song composer, and a poet. Enjoy this story and the many other creative enrichments for your life soon to appear in bookstores and on the internet. Being 72 hasn't stopped me yet and I don't believe my age will ever be a challenge to me. Anyone who knows me can reassure...
