This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The wood is white and tender: and it is employed by turners; by coopers, for herring casks, mik-pails, c.; by sculptors and engravers; and by joiners and cabinet-makers; and for various minor uses, such as clogs, butcher s trays, pack-saddles, c.
