

Imperial America: Reflections on the United States of Amnesia

By Gore Vidal

Temple Lodge Publishing. Paperback. Book Condition: new. BRAND NEW, Imperial America: Reflections on the United States of Amnesia, Gore Vidal, Gore Vidal has been described as the last 'noble defender' of the American republic. In Imperial America, Vidal steals the thunder of a right wing America--those who have camouflaged their extremist rhetoric in the Old Glory and the Red, White, and Blue--by demonstrating that those whose protest arbitrary and secret government, those who defend the bill of rights, those who seek to restrain America's international power, are the true patriots. "Those Americans who refuse to plunge blindly into the maelstrom of European and Asiatic politics are not defeatist or neurotic," he writes. "They are giving evidence of sanity, not cowardice, of adult thinking as distinguished from infantilism. They intend to preserve and defend the Republic. America is not to be Rome or Britain. It is to be America."
