

## Building the Bonds of Attachment: Awakening Love in Deeply Traumatized Children (Paperback)

By Daniel A. Hughes

ROWMAN LITTLEFIELD, United States, 2017. Paperback. Condition: New. Third Edition. Language: English . Brand New Book. A highly accessible resource for students and professionals as well as parents, Building the Bonds of Attachment presents a composite case study of one child s developmental course following years of abuse and neglect. Weaving theory and research into a powerful narrative, Hughes offers effective methods for facilitating attachment in children who have experienced serious trauma. The text emphasizes both the specialized psychotherapy and parenting strategies often necessary in facilitating a child s psychological development and attachment security. Hughes steps through an integrated intervention model that blends attachment and trauma theories with the most current research as well as general principles of both parenting and child and family therapy. Thoughtful and practical, the third edition provides an invaluable guide for therapists and social workers, students in training, and parents. Updates to the Third Edition include: \*Coverage of the greater preparation given to both the therapist and parent before the onset of the treatment and placement based on our understanding of how the attachment histories of both the parents and therapists impact their engagement with the child \*Introduction of the concept of blocked care to...
